The Early Years

The EYFS Framework explains how and what your child will be learning to support their healthy development.

Your child will be learning skills, acquiring new knowledge and demonstrating their understanding through 7 areas of learning and development.

Children should mostly develop the 3 prime areas first. These are:

- Communication and language;
- Physical development; and
- Personal, social and emotional development.

These prime areas are those most essential for your child's healthy development and future learning.

As children grow, the prime areas will help them to develop skills in 4 specific areas.

These are:

- Literacy;
- Mathematics;
- Understanding the world; and
- Expressive arts and design.

Core vision

Core values

- Tolerance
- Community
- Equality (including diversity)
- Respect (including courtesy)
- Resilience
- Forgiveness
- Honesty
- Pride
- Responsibility

As a mum or dad, how can I help with my child's learning?

All the fun activities that you do with your child at home are important in supporting their learning and development, and have a really long lasting effect on your child's learning as they progress through school.

What does 'school ready' really mean?

Children who:

- Have strong social skills
- Can cope emotionally with being separated from their parents
- Are relatively independent in their own personal care
- Have a curiosity about the world and a desire to learn

School readiness recipe

1kg – Fun and humour with a hint of cheekiness

2kg – How to get dressed and go to the loo

5kg – Good communication skills

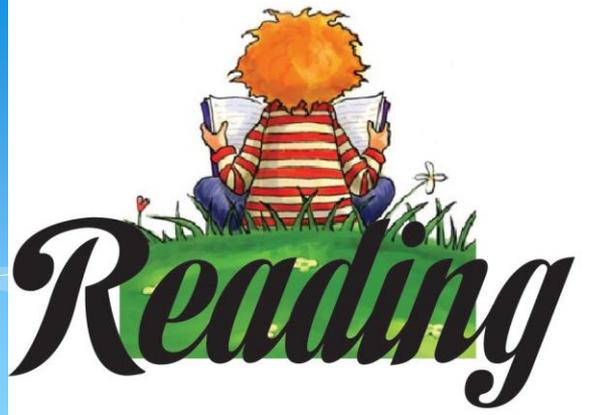

1 dollop – willingness to try and curiosity to learn

4 tbsp – Following instructions and listening skills

Liberal pinch – creativity

Sprinkle on – self-regulation

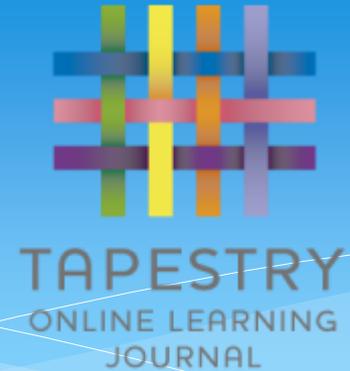

Mix well and bake between the ages of 4 and 5 and enjoy!

Books that go home every week for you to share with your child

The books have been specifically bought for this project and we ask that they are looked after so children can keep on enjoying them week after week.

Tapestry online system

For those of you joining the academy we use an online learning journal to record the children's development.

Further information is available in the welcome pack or please ask staff

What does my child need to bring?

Book bag

Water bottle Clear with sports cap

Wellies

Suitable outdoor coat

Fruit or vegetable snack (if they stay all day)

Please, please do name everything that comes into school

Drinks and Snacks

During each session the children will have the opportunity to stop for a drink and a snack

Milk is available and water for those children who do not like milk

All Children are asked to bring in a named bottle to school

Snacks brought into school must be either fruit or vegetables as we are part of the 'Healthy schools' scheme

As part of the five portions of fruit or vegetables emphasis, we have a piece of fruit or vegetable provided for every child each day

This is in addition to the snack which the children are asked to bring in for their own snack.

Lunch time (for those staying all day)

If your child is staying all day an additional cost will be invoiced which is £3.45 to cover the time between sessions (45mins)

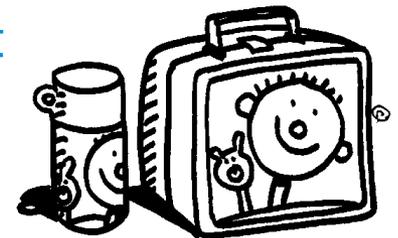

There are various options for lunch time.

Bring own packed lunch

Or have a school lunch £2.30. The children can choose from a range of items including a traditional lunch, a pasta option or jacket potato.

We are now operating a cashless system if you do want have a school lunch. Information packs available.

Further information can be found on our website.
