

**MATHS TARGETS**

**Year 1**

NPV9 I can read, write and spell numbers from one to twenty in numerals and words.

NPV8 I can use the language of: equal to, more than, less than (fewer), most and least.

NPV7 I can identify and represent numbers using objects and pictorial representations including a numberline.

NPV6 I can find one more or one less than a given number.

NPV5 I can count in multiples of 10.

NPV4 I can count in multiples of 5.

NPV3 I can count in multiples of 2.

NPV2 I can count, read and write numbers to 100 in numerals.

NPV1 I can count to and across 100, forwards and backwards, from any number.

AS8 I can solve missing number problems.

AS7 I can solve one step subtraction problems, using objects and pictures.

AS6 I can solve one step addition problems using objects and pictures.

AS5 I can subtract one digit and two digit numbers to 20, including zero.

AS4 I can add one digit and two digit numbers to 20, including zero.

AS3 I can represent and use subtraction facts to 20.

AS2 I can represent and use number bonds to 20.

AS1 I can read, write and understand calculations with +, - and = signs.

MD6 I can solve simple division problems using objects, pictures and arrays.

MD5 I can solve simple multiplication problems using objects, pictures and arrays.

MD4 I can complete simple number patterns.

MD3 I can show multiplication using arrays.

MD2 I can share and group small amounts.

MD1 I can double single digit numbers.

F7 I can solve simple half and quarter problems in different contexts.

F6 I can find and name quarter of a quantity.

F5 I can find and name quarter of a shape.

F4 I can find and name quarter of an object.

F3 I can find and name half of a quantity.

F2 I can find and name half of a shape.

F1 I can find and name half of an object.

M8 I can compare, describe and solve practical problems for time.

M7 I can draw the hands on a clock face to show an hour and half past the hour.

M6 I can tell the time to the hour and half past the hour.

M5 I can sequence events in chronological order using words like before, after, yesterday, tomorrow, afternoon and evening.

M4 I know and can use words such as days, weeks, months and years.

M3 I can recognise and know the value of coins and notes.

M2 I can measure and begin to record length, height, mass, weight, capacity and volume.

M1 I can compare, describe and solve practical problems for length, height, mass, weight, capacity, volume and time.

G6 I can describe position, direction and movement including whole, half, quarter and three-quarter turns.

G5 I can recognise and name 2-D and 3-D shapes in different orientations and sizes.

G4 I can recognise and name 3-D shapes in everyday objects.

G3 I can recognise and name 2-D shapes in everyday objects.

G2 I can recognise and name 3-D shapes.

G1 I can recognise and name 2-D shapes.

S6 I can interpret and construct simple Venn diagrams with support.

S5 I can interpret and construct simple bar charts with support.

S4 I can interpret and construct simple tally charts with support.

S3 I can answer questions about which set has most.

S2 I can talk about why items are placed in a particular set.

S1 I can choose criteria to sort in a variety of situations.

MS10 I can partition numbers into tens and ones.

MS9 I can subtract a single digit number from 10 or a multiple of 10.

MS8 I can add a single digit number to 10 or a multiple of 10.

MS7 I can subtract a pair of single digit numbers.

MS6 I can add a pair of single digit numbers.

MS5 I know doubles of numbers up to at least 10.

MS4 I know all number bonds to 10.

MS3 I can re-order numbers when adding.

MS2 I know odd and even numbers to 20.

MS1 I can halve even numbers to 20.

**Number and Place Value**

**Addition and Subtraction**

**Multiplication and Division**

**Fractions**

**Measurement**

**Geometry**

**Statistics**

**Mental strategies**
