Our aim is to enhance the development and education of children under statutory school age, providing a safe, secure and *stimulating environment*. We work within a framework which ensures equality of opportunity for all children and families.

We offer your child a specially tailored curriculum leading to the early learning goals. Through the support of a key person your child will develop friendships and have fun. We provide opportunities for you and your family to be directly involved in the activities of the group, and in your own child's progress.

We operate under guidelines set out by OFSTED, and we are able to offer funded places for 2, 3 and 4 year old children according to current Government legislation.
