1 INTRODUCTION

- 1.1 Definition. The Trust refers to LIFE Academies Trust and its individual Academies and Settings.
- 1.2 The Trust is subject to the Freedom of Information Act 2000 (FOI) as a public authority, and as such, must comply with any requests for information in accordance with the principles laid out in the Act.

2 WHAT IS A REQUEST UNDER FOI

- 2.1 Any request for any information from the Trust is technically a request under the FOI, whether or not the individual making the request mentions the FOI. However, the ICO has stated that routine requests for information (such as a parent requesting a copy of a policy) can be dealt with outside of the provisions of the Act.
- 2.2 In all non-routine cases, if the request is simple and the information is to be released, then the individual who received the request can release the information, but must ensure that this is done within the timescale set out below. A copy of the request and response should then be sent to the Clerk to the Trustees.
- 2.3 All other requests should be referred in the first instance to Clerk to the Trustees, who may allocate another individual to deal with the request. This must be done promptly, and in any event within 3 working days of receiving the request.
- 2.4 When considering a request under FOI, you must bear in mind that release under FOI is treated as release to the general public, and so once it has been released to an individual, anyone can then access it, and you cannot restrict access when releasing by marking the information “confidential” or “restricted”.

3 TIME LIMIT FOR COMPLIANCE

- 3.1 The Trust must respond as soon as possible, and in any event, within 20 working days of the date of receipt of the request. For the Trust, a “working day” is one in which pupils are in attendance, subject to an absolute maximum of 60 calendar days to respond.

4 PROCEDURE FOR DEALING WITH A REQUEST

- 4.1 When a request is received that cannot be dealt with by simply providing the information, it should be referred in the first instance to the Clerk to the Trustees, who may re-allocate to an individual with responsibility for the type of information requested.
- 4.2 The first stage in responding is to determine whether or not the Trust “holds” the information requested. The Trust will hold the information if it exists in computer or paper format. Some requests will require the Trust to take information from different sources and manipulate it in some way. Where this would take minimal effort, the Trust is considered to “hold” that information, but if the required manipulation would take a significant amount of time, the requestor should be contacted to explain that the information is not held in the manner requested, and offered the opportunity to refine their request. For example, if a request required the Trust to add up totals in a spread sheet and release the total figures, this would be information “held” by the Trust. If the Trust would have to go through a number of spread

sheets and identify individual figures and provide a total, this is likely not to be information “held” by the Trust, depending on the time involved in extracting the information.

4.3 The second stage is to decide whether the information can be released, or whether one of the exemptions set out in the Act applies to the information. Common exemptions that might apply include:

- 4.3.1 Section 40 (1) – the request is for the applicants personal data. This must be dealt with under the subject access regime in the DPA, detailed in paragraph 9 of the DPA policy above;
- 4.3.2 Section 40 (2) – compliance with the request would involve releasing third party personal data, and this would be in breach of the DPA principles as set out in paragraph 3.1 of the DPA policy above;
- 4.3.3 Section 41 – information that has been sent to the Trust (but not the Trust’s own information) which is confidential;
- 4.3.4 Section 21 – information that is already publicly available, even if payment of a fee is required to access that information;
- 4.3.5 *Section 22 – information that the Trust intends to publish at a future date;*
- 4.3.6 *Section 43 – information that would prejudice the commercial interests of the Trust and/or a third party;*
- 4.3.7 *Section 38 – information that could prejudice the physical health, mental health or safety of an individual (this may apply particularly to safeguarding information);*
- 4.3.8 *Section 31 – information which may prejudice the effective detection and prevention of crime – such as the location of CCTV cameras;*
- 4.3.9 *Section 36 – information which, in the opinion of the chair of governors of the Trust, would prejudice the effective conduct of the Trust. There is a special form for this on the ICO’s website to assist with the obtaining of the chair’s opinion.*

4.4 The sections mentioned in italics are qualified exemptions. This means that even if the exemption applies to the information, you also have to carry out a public interest weighting exercise, balancing the public interest in the information being released, as against the public interest in withholding the information.

5 RESPONDING TO A REQUEST

5.1 When responding to a request where the Trust has withheld some or all of the information, the Trust must explain why the information has been withheld, quoting the appropriate section number and explaining how the information requested fits within that exemption. If the public interest test has been applied, this also needs to be explained.

5.2 The letter should end by explaining to the requestor how they can complain – either by reference to an internal review, or by writing to the ICO.

6 CONTACT

6.1 Any questions about this policy should be directed in the first instance to the Trust CEO.

7 THE DEVELOPMENT OF A PUBLICATION SCHEME

LIFE Academies Trust has produced a Publication Scheme of information that is available under the Freedom of Information Act 2000 and it conforms to the model scheme for schools and academies approved by the Information Commissioner. The Trust Board has responsibility for ensuring that the Trust complies with the Act.

7.1 Under the Freedom of Information Act 2010 (FOIA) public authorities should be proactive about information that is available to the public. This includes all maintained sector schools and from 1 January 2011, academies.

7.2 In order to comply with the requirements of the Act, the publication scheme covers the Trust's commitment on the following points:

- to proactively publish, or otherwise make available as a matter of routine, information which is held by the Trust and falls within the classifications below.
- to specify the information that is held by the Trust and falls within the classifications below.
- to proactively publish or otherwise make available as a matter of routine, information in line with the statements contained within this scheme.
- to produce and publish the methods by which the specific information is made routinely available so that it can be easily identified and accessed by members of the public.
- to review and update on a regular basis the information the Trust makes available under this scheme.
- to produce a schedule of any fees charged for access to information which is made proactively available.
- to make this publication scheme available to the public.

7.3 All information in the Publication Scheme is available in paper form.

Categories of Information Published

7.4 The Publication Scheme is a guide to the information which is currently published (or has recently been published) or which we will publish in the future. This information is available on the website and is categorised in 'Classes' as outlined later.

7.5 The information will not generally include:

- Information the disclosure of which is prevented by law, or exempt under the Freedom of Information Act, or is otherwise properly considered to be protected from disclosure. This includes information protected by the Data Protection Act.
- Information that is no longer readily available as it is contained in files that have been placed in archive storage, or is difficult to access for similar reasons.

Requests for Information

7.6 Information that is not published under the scheme can be requested by email or letter, addressed to the Clerk to the Trustees, LIFE Academies Trust, School House, Kitelands Road, Biggleswade, Beds. SG18 8NX.

7.7 All requests will be considered in accordance with the provisions of the Freedom of Information Act.

Paying for Information

7.9 Information published on the Academy website is free. Single copies of information covered by this publication are provided free unless stated otherwise. However, there may be a charge if the request:

- requires a lot of printing or photocopying
- incurs a large postage charge
- requires a priced item e.g. some printing publication or video

In such instances, you will be notified in advance.
